table who will have direct
link w i/c operation. Decision
will finish the day @ NCRAC
and transition to start
@ Leiken on the 15th.

0922 Hull E/C presenting traffic plans
discussed w city and they
are ready to move Jersey
barricades

All this is dependant on
who PLT tells us want to
move

OPP have resources to ~~help~~ help
Antell have it that a group
saying "don't listen to other
group - we are not moving."
Traffic guys are staged and
ready to go.

1936	E/C	room	Before everyone leaves just a note that our operations are to be kept on the down low until we launch the plan - media will do a release if need be.	
	E/C	Annand	w/ info we have do you see a problem w/ sharing our plan w/ partners. (for red car).	
	McKenna	E/C	room already knows from K9 McMillan - would take about 3-4 mins to have dog do 360 of that red car	
	McKenna	E/C	PPS saying they have a Bomb dog.	

out

time	from	to	
	E/C	McKenna	ask to PSS to see if they can do it.
1948	Dumond	E/C	Com. Ctr. go back to regular schedule - same for incident commanders. only thing concerning is that E/C i/c platoon inspectors not here. Maybe a D/C Ferguson question. We do have site managers that have the experience / resources on Central. this was an order from the Chief to have the inspectors on 24 hours.
1953	E/C	D/C Ferguson	contacted and briefed on situation of the red car by parliament - was advised it was in the hands of operations.
1959	Dumond	E/C	Journett wondering if the pause on fuel is continuing overnight
2003	E/C	Pettis	adv. Journett - Educate and discourage for overnight.
2005			Scribe duty.
